**Anchorage, AK October 2019**

**Resolution 19-06**

Title: Oppose removing LGBTQ protections

**WHEREAS**, the current Executive branch has promised to protect the rights of all citizens; and

**WHEREAS**, the current Executive branch intends to remove nondiscrimination protections for the LGBTQ community by adding religious exemptions to a 2014 Executive Order signed by then President Obama that prevented discrimination based on sexual orientation and gender identity; and

**WHEREAS**, this action would be detrimental and take away civil rights of the LGBTQ community; and

**WHEREAS**, this could open avenues of further actions to strip civil rights of other citizens;

**THEREFORE BE IT RESOLVED**, that the Alaska Native Brotherhood and the Alaska Native Sisterhood at Grand Camp assembled October 2019 will support civil rights for all people, and take the necessary steps to stand against these changes, and will urge our Congressional and House Leaders to do the same.
